1. This is a response to Applicant's response filed on 12/26/2006. In virtue of this remarks, claims 1-7 remain pending in this application which claim 8 is cancels. Claims 1 -7 are allowed.

### **Reasons for Allowance**

2. Claims 1-7 are allowed.

The following is an examiner's statement of reason for allowance:

With respect to claims 1-7, none of the references of record teaches or suggests the claimed a method of converting data stored in a file from a first format used by a first software application, to a new file in a second format used by a second software application, said file having one or more records, each of records having one or more fields having one or more data elements, each of said records being associated with a first data map corresponding to said first format and a second data map corresponding to said second format, the method comparing, along with all the other claimed feature, for each filed of said selected record, using said first data map associated with said selected record and said second data map associated with said selected record to determine whether said field is present in said second format, and if said filed is not present in said second format, **discarding said one or more data elements** of said field from said selected record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hung T. Vy whose telephone number is 571-2721954. The examiner can normally be reached on 8.30am - 5.30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Don Wong can be reached on 571 272 1834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
